## 1. PURPOSE

The purpose of this instruction is to determine the conditions related to the fees to be applied in the audit and certification activities of BQS.

## 2. DEFINITIONS

**Man / days fee:** It is the fee of 1 auditor who will go to 1 day audit.

## 3. APPLICATION

### 3.1. Application and Document Review Fee

**3.1.1.** It is the fee charged from the institution for the evaluation of the application file.

**3.1.2.** This fee will not be refunded if the customer gives up the certification for any reason after the document review.

**3.1.3.** In cases where the customer has more than one branch, the application document review fee will be charged only for the center.

**3.1.4.** In the case of an organization that accepts the witness audit of the accreditation body, no application and document review fee is requested from this institution.

### 3.3. Audit Fee

**3.3.1.** It is the fee charged for certification (Stage 2), surveillance, follow-up, transfer, special (scope extension, address change etc.), certificate renewal audits. The audit fee is calculated by multiplying the number of man \* days calculated for the audit by the man \* day rate.

**3.3.2.** It is the fee charged when follow-up audit is required for nonconformities that may arise during the audits. Follow-up audit fee is 50% of the audit fee.

### 3.4. Integrated Audit Fee

**3.4.1.** It is the fee charged when more than one management system is controlled jointly. Application and document review fee is not charged for the second system. The annual document usage fee is reflected in the fees for both systems.

### 3.5. Pre-Audit Fee

**3.5.1.** It is the fee for the audit performed before the certification audit, depending on the organization's request.

### 3.6. Annual Document Usage Fee

**3.6.1.** It is the fee collected for each year in return for using the document.
